ANDREW MIXDORF

FOR THE PUBLIC TO OBSERVE AND  
STUDY THE NATIVE ECOSYSTEMS  
OF DENVER IN AN AVIARY AND  
REPTILIAN CONSERVATORY.

**SITUATED IN DENVER, COLORADO THE  
CONSERVATORY IS A SUBSIDIARY DESIGN FOR  
THE LARGER SUSTAINABLE URBAN COMMUNITY.**

It was designed in collaboration with Alex Michl, Yvonne Hidle, Sam Mulholland, Tyler Arndt, and Alex Fales. It acts as a supplementary education center and connector for the early childhood education center and restoration prairie. It provides the public with a year-round extension of the prairie environment in which to observe and study the native ecosystems of Denver in an aviary and reptilian conservatory.
